To: Laura,  
You ask me to  
write what shall  
it be just two  
golden words & remember  
M.E!  
"Cane Wood"  
"Class of '86"  
"Algebra" (hand)  
"

Laura,

I wrote on this page  
because it reminds me of  
you, you know why? because  
your a nut, fun to be near, and  
a coo-coo bird. No really, I have  
enjoyed having you behind me  
in Algebra (sorry). Hope your here  
more often next year.

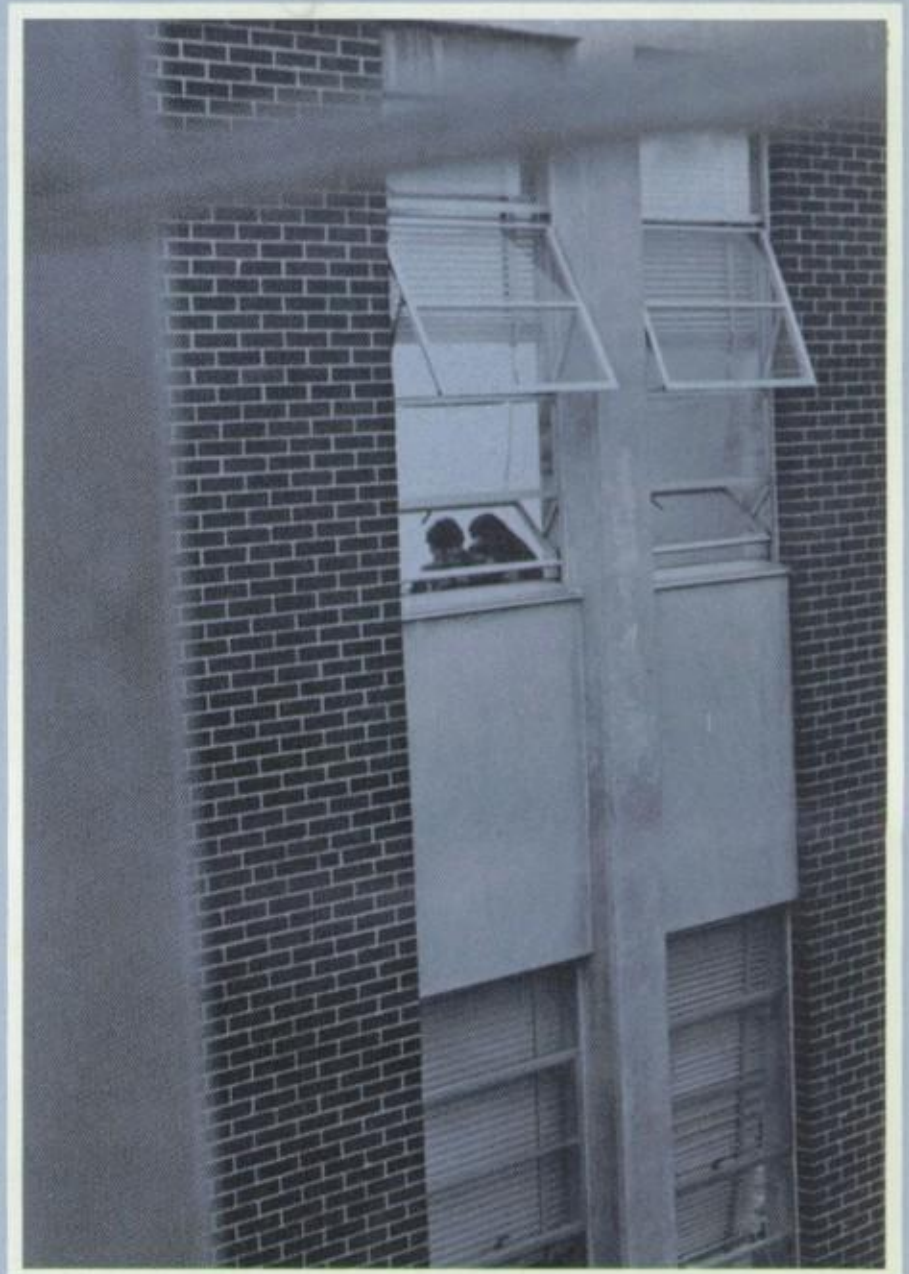

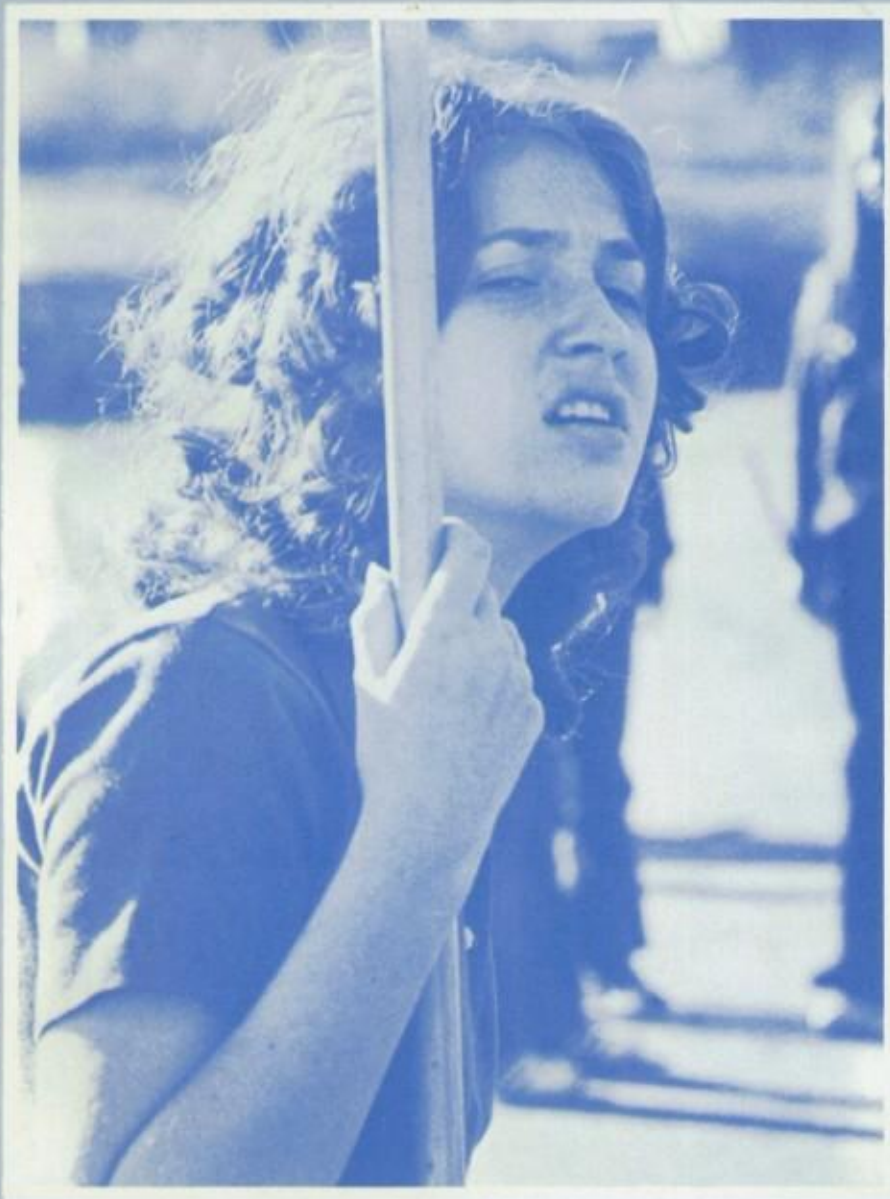

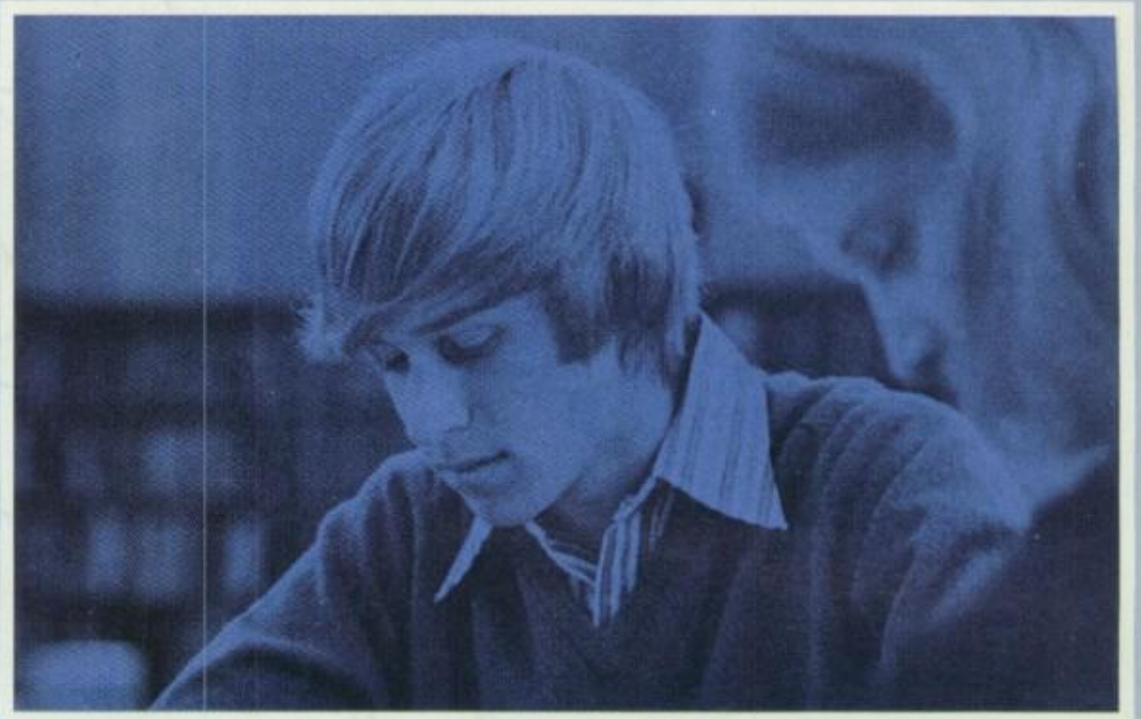

Love  
Ken.

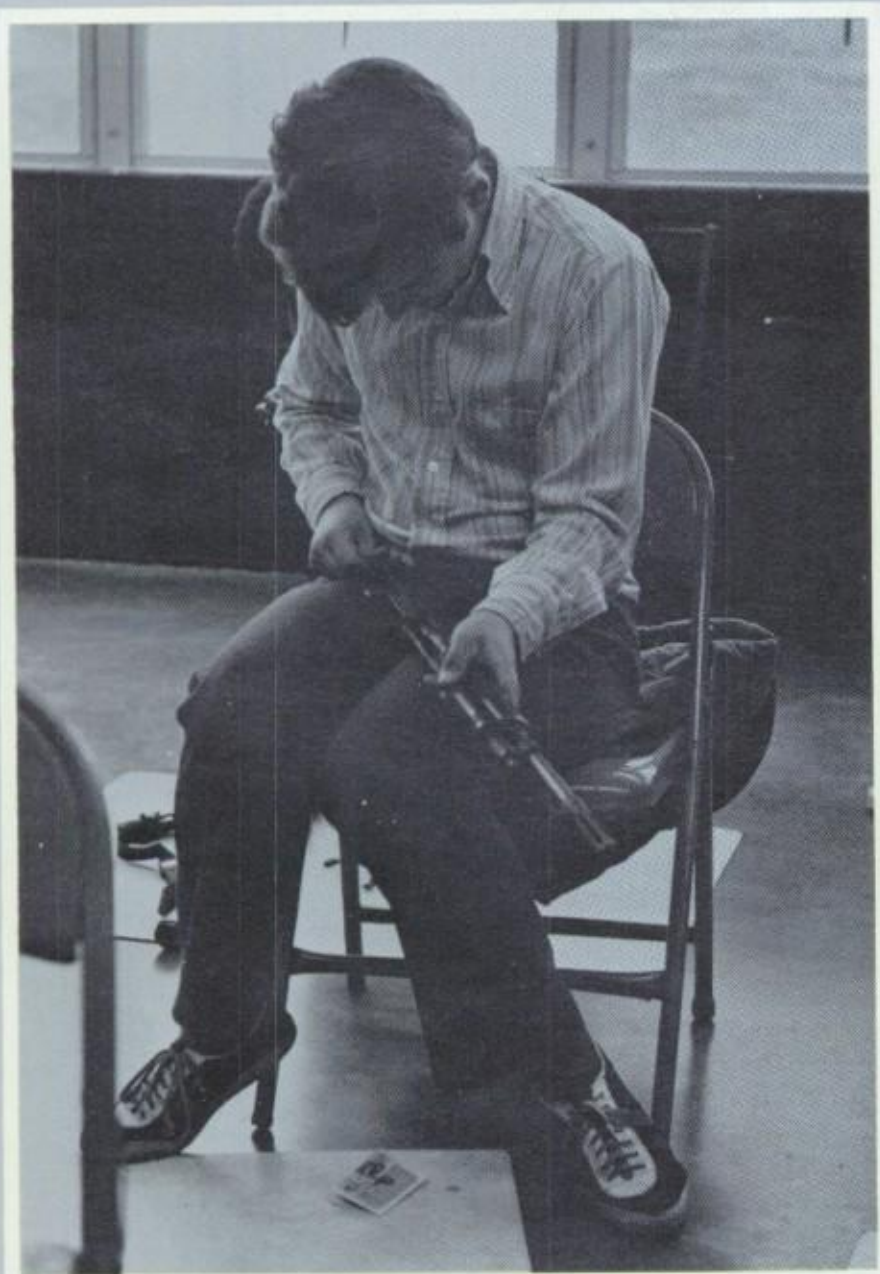

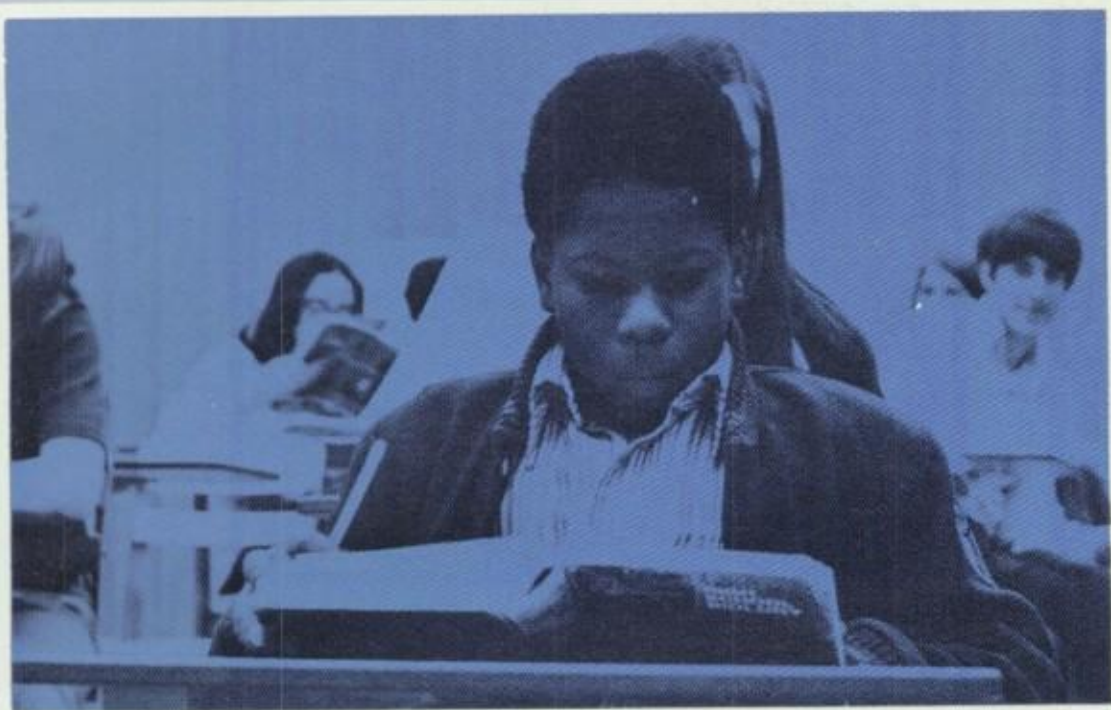

If our friendship depends on things like space and time,  
Then when we finally overcome space and time,  
We've destroyed our own brotherhood!  
But overcome space, and all we have left is Here.  
Overcome time, and all we have left is Now.  
And in the middle of Here and Now,  
Don't you think that we might see each other once or twice?

Jonathan Livingston Seagull

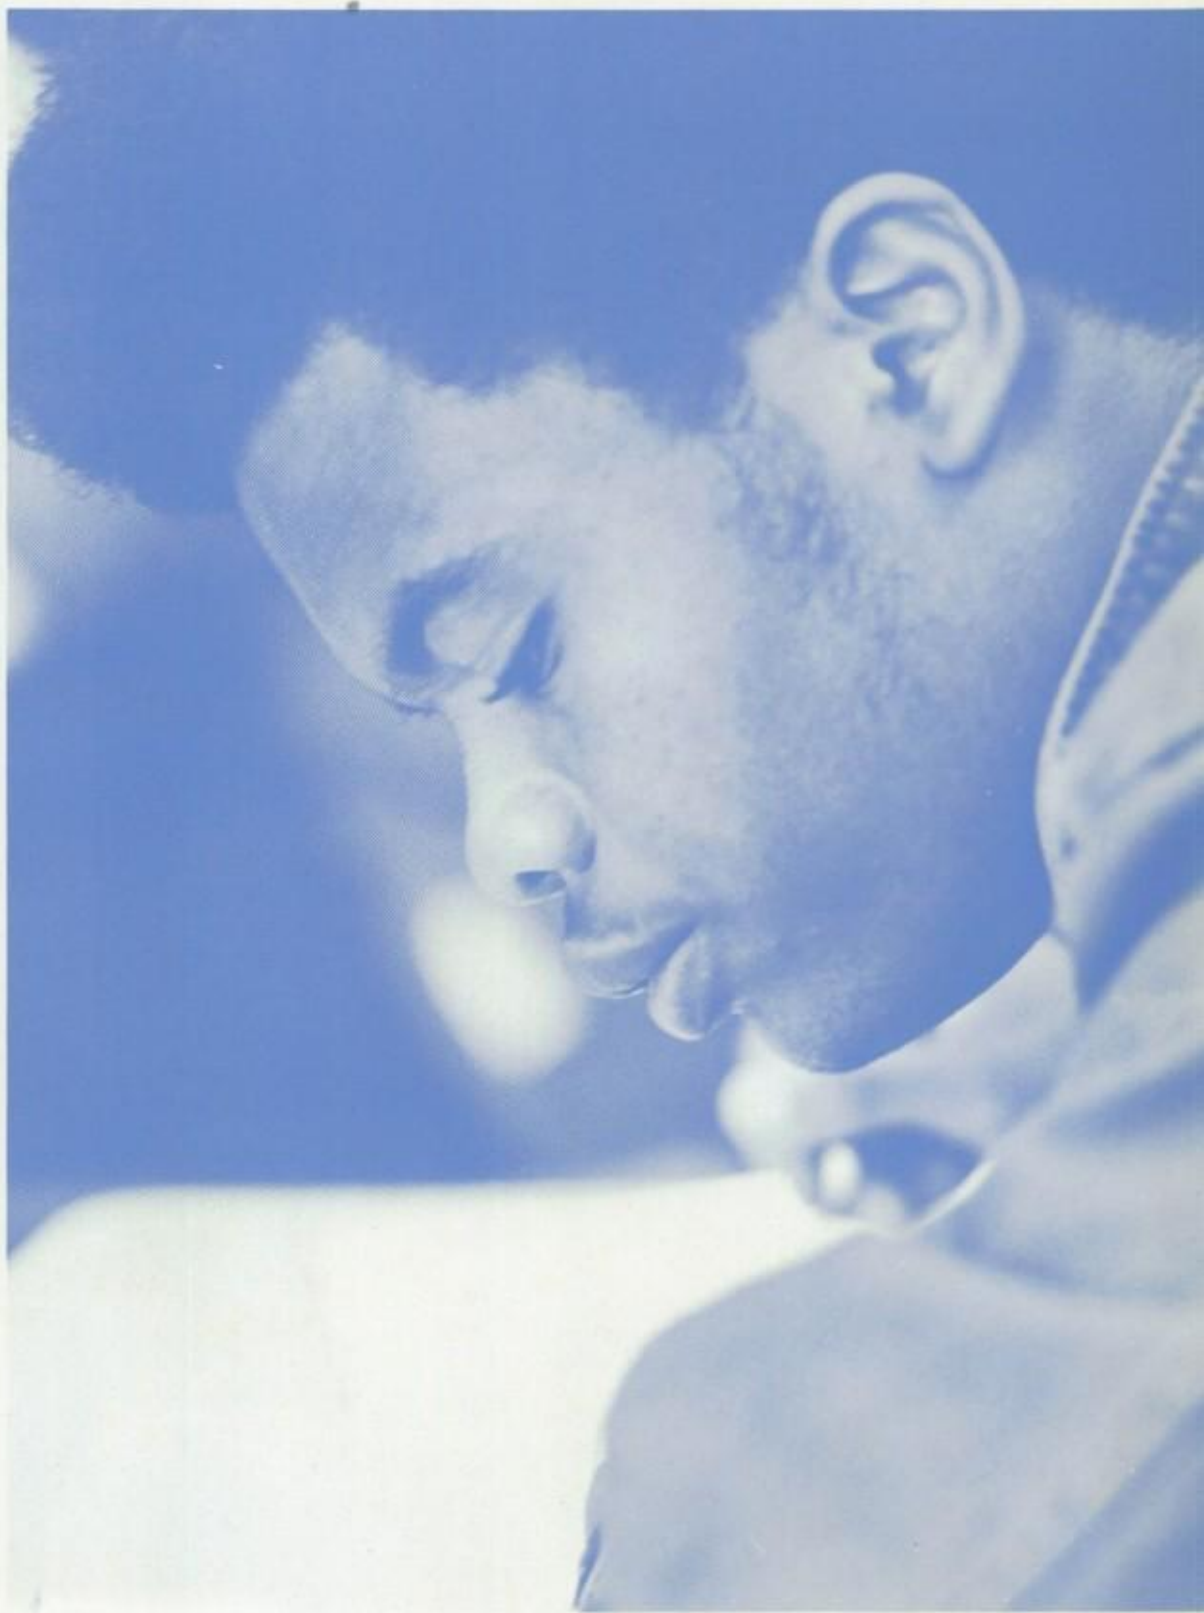

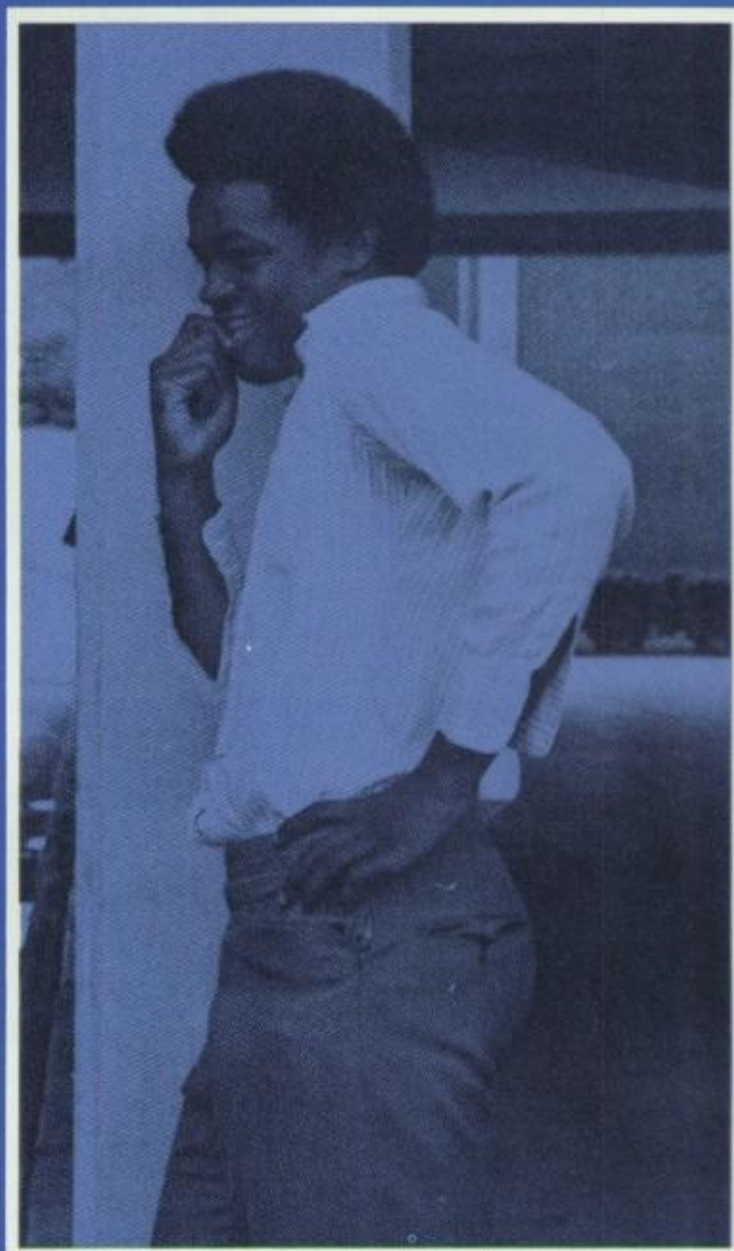

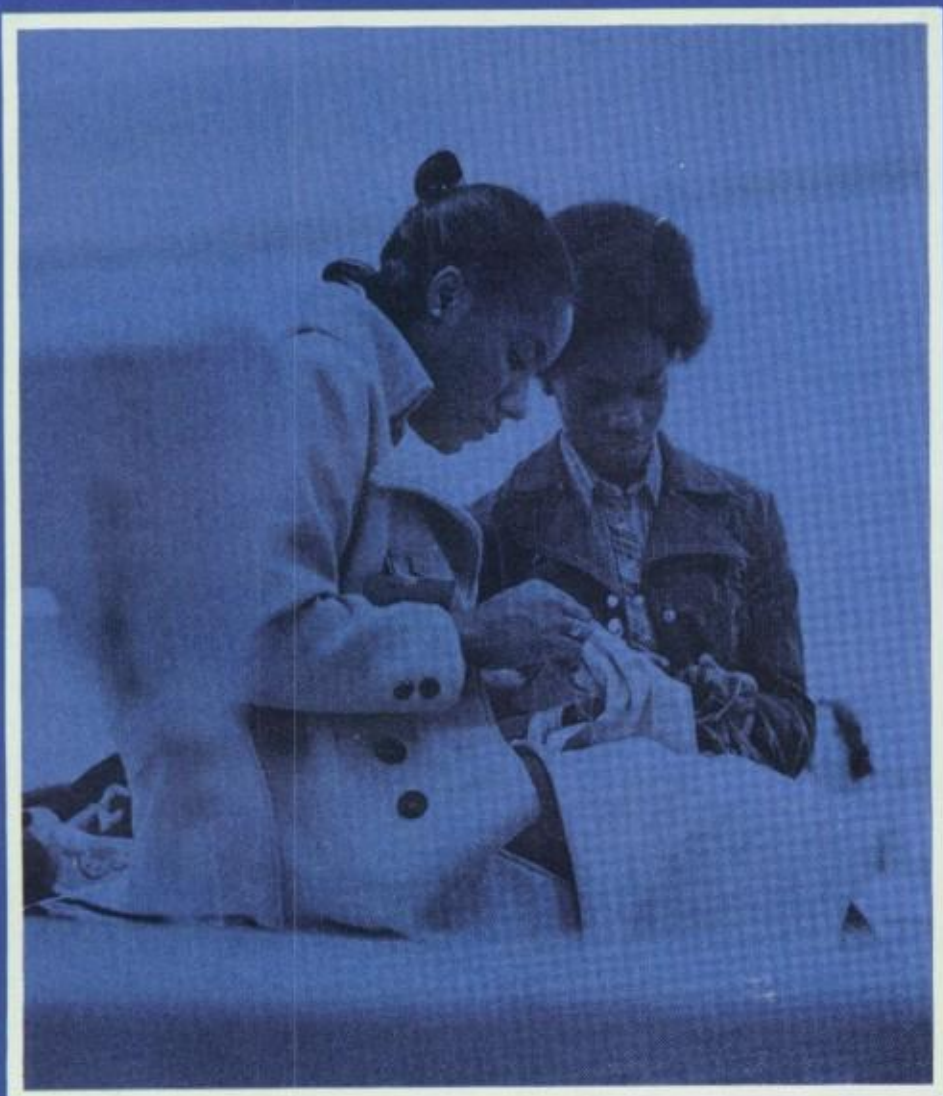

When I stop for a moment or two  
 in the midst of this frantic pace;  
 When I look at myself and when I look at you,  
 One question I surely must face:  
 What is it all about?  
 This life I have which is mine to live,  
 Oh, what is it all about?  
 When I look at the world as it seems,  
 And I see all its hunger and greed;  
 When all visions of love  
 are but distorted dreams,  
 One question expresses my need:  
 What is it all about,  
 Oh, what is it all about?

## SWEETHEART BALL

Whatsoever things are true,  
whatsoever things are honest,  
whatsoever things are just,  
whatsoever things are pure,  
whatsoever things are lovely,  
whatsoever things are of good report;  
if there be any virtue,  
and if there be any praise,  
think on these things.

# LIFE AT DECATUR

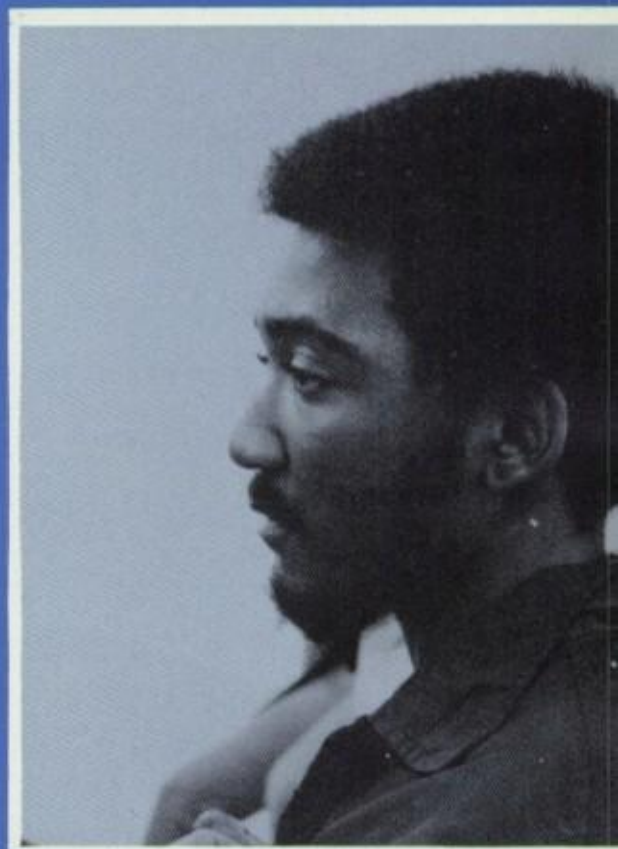

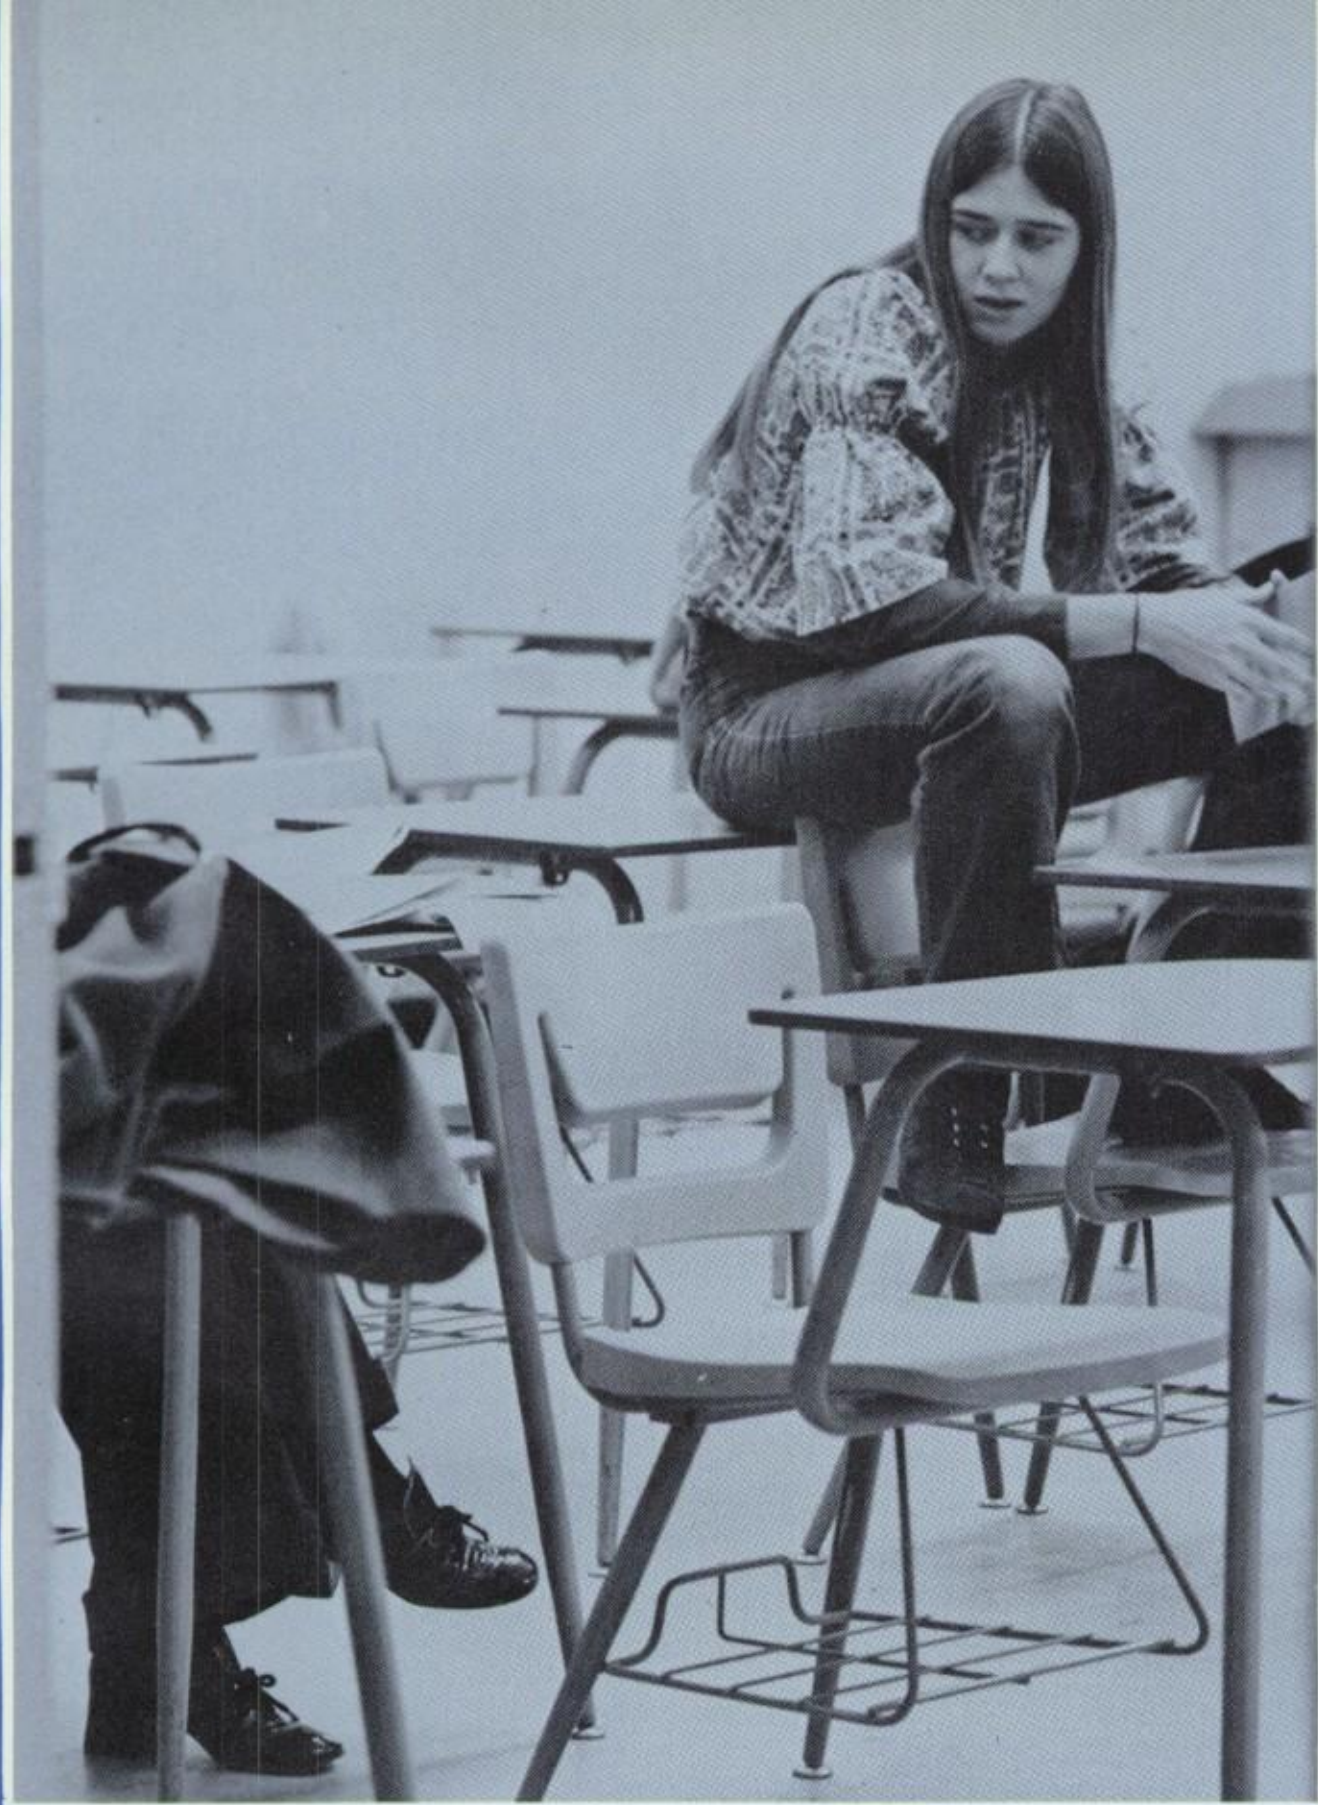

The doors of  
education are  
open to  
all . . .

After 8:15 AM . . . if you are neat, well-groomed and not dressed in anything that is "unreasonably tailored" or "too revealing" . . . otherwise, you're allowed in the building . . . the school . . . where you spend four years learning the "joys" of learning . . . and you survive along with your friends . . . and enemies . . . the people that make up the school . . . so welcome to Decatur High School . . . just take off your hat before entering.

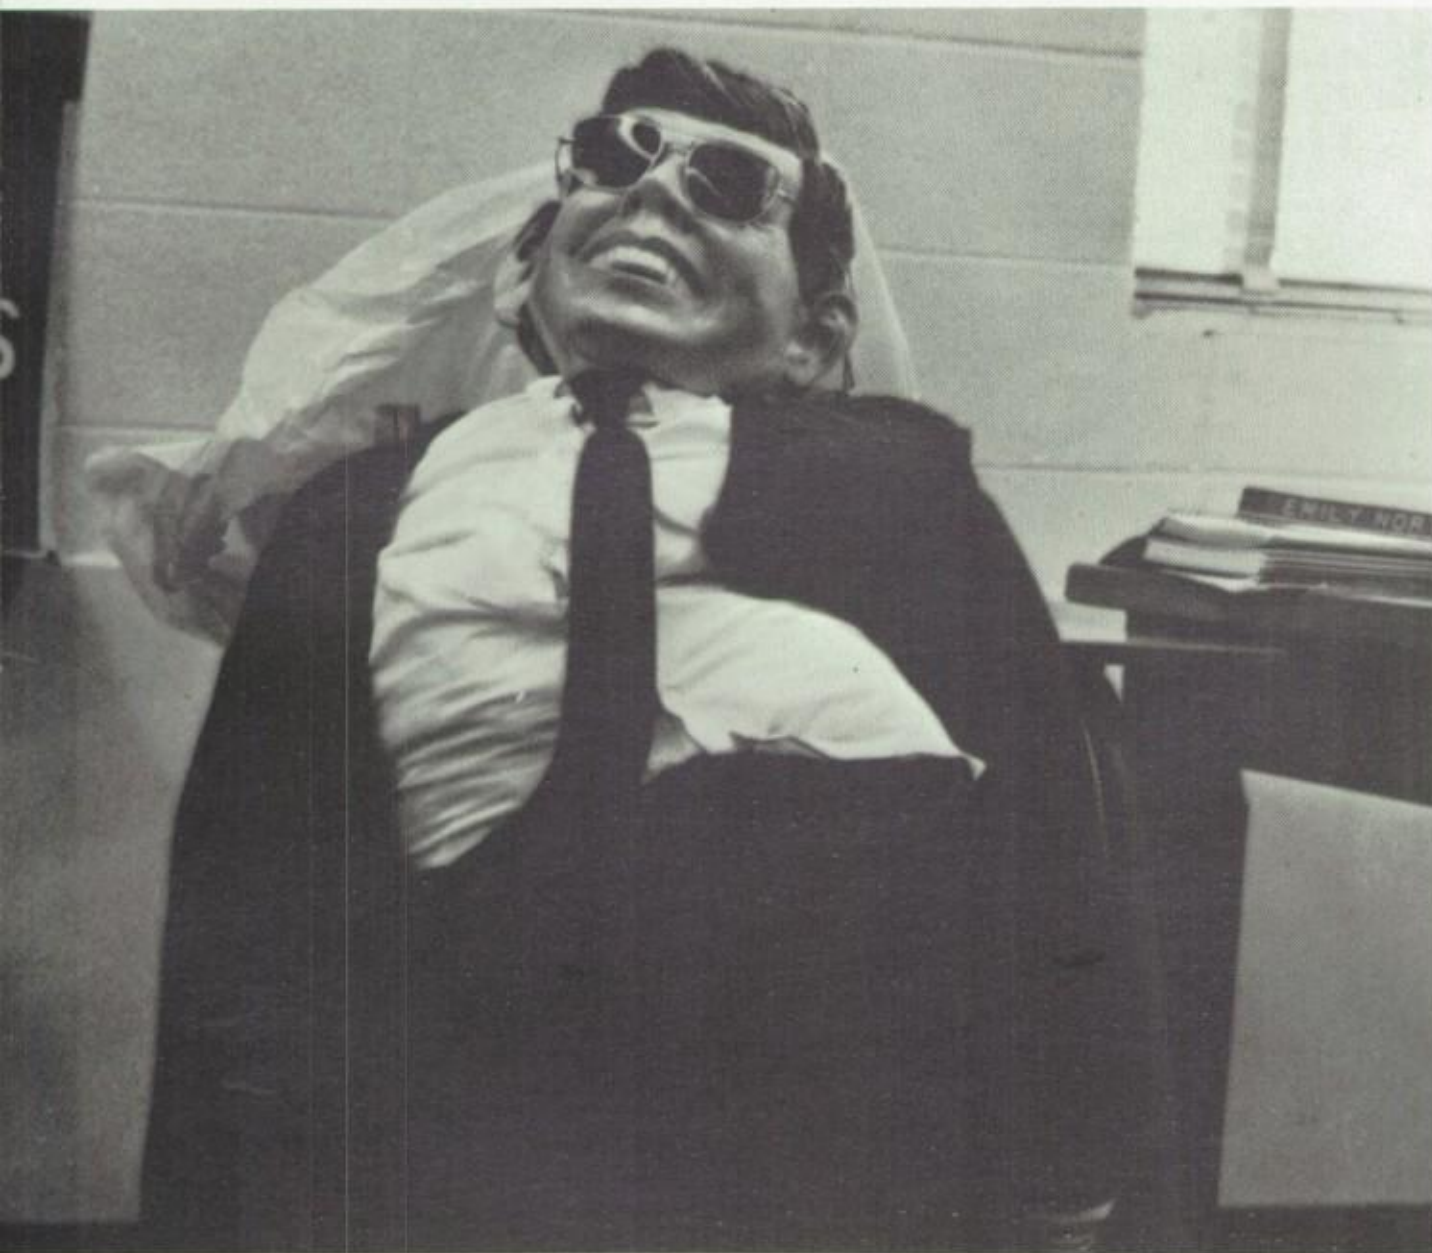

Much study is a weariness.  
Ecclesiastes 12:12

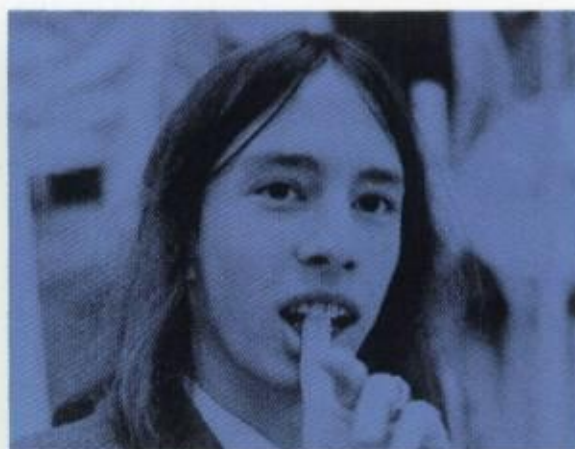

See the happy  
 moron,  
 He doesn't give  
 a damn.  
 I wish I were  
 a moron—  
 My god perhaps  
 I am!

*It's time now to go  
For everything must end,  
But I'll see you all again  
Knowing time is my friend.*

Laura,

i'm not sure i know how to begin. i suppose i could ~~s~~begin by saying it was nice being in French with you. we've never really talked but i'd like to sometime. i miss listening to people. Sharing an exchange between two minds. i remember at Christmas when you gave me that powder. it meant alot to me because i wasn't expecting it. i love surprises! but more than that, it just made me feel cared about that you remembered me. keep in touch through the summer - please.

Love,  
lynn
